LET'S MAKE SOMETHING
NEW

DESIGNED BY US. INSPIRED BY YOU.

Kitchen is that place which adds flavor, aroma and richness to your home. A hub where thousand stories cook.

Keeping this in mind, we at Arancia have designed kitchens that exactly does that and beyond. We have created kitchens that are inspired by you and powered by your imagination.

Designed by the finest interior experts and fabricated using the most sophisticated European technology, our kitchens are created to give you an unparalleled kitchen experience.

Unfold the opulence, functionality and style of your kitchen with Arancia!

YES! WE KNOW WHAT GOES ON IN KITCHENS.

VISION

To be market leader in the modular kitchen industry by providing international products customized for Indian requirements and affordable to masses

MISSION

We will achieve our vision by pursuing Cost, Quality & Customization. Further, we will keep on upgrading our state of the art European manufacturing facilities, strengthen ties with suppliers and expand market reach by establishing network of franchisee partners, who are already involved in modular kitchen industry.

LET'S MAKE SPACE FOR SOMETHING NEW

It's not everyday that we design a kitchen for you. So we'd rather make it special. This means we being all ears to understand you, your needs and your day. The usual and those unusual ones. And then making space to accommodate all that matters to you. Like a safe cabinet to keep your precious family crockery. Or then a breakfast table that can turn into a dimly lit midnight binge station with your little one? Pour out everything on us. And help us let you experience it.

DIFFERENCE WITH ARANCIA

WIDE RANGE

At Arancia, you will be spoilt with wide range of modular kitchens to choose from. Each range is produced with a lot of thought behind it and using the highest quality of materials.

CUSTOMIZE YOUR WAY

Customize your kitchen the way you want with wide range of material, finishes and accessories by Arancia Kuchen. Whatever the budget and space, we have got you covered!

ACCESSORIES

With Arancia, explore the wide range of kitchen accessories that beautifies your kitchen and adds super-functionality.

3D KITCHEN DESIGN

We design and re-design Kitchen spaces using sophisticated technology to give you a complete virtual experience of your dream Kitchen using 3D Kitchen Models created by our team of expert Kitchen Designers.
