

**VERANTES LIVING**

BRAND  
INTRODUCTION

# Team

Verantes Living was conceived by a team of well experienced and seasoned professionals. The idea behind creating Verantes Living is to make well designed & well-crafted products available to our esteemed customers utilizing premium and extremely durable components so that they can enjoy a lifetime of happiness!

---

**Tomy Sebastian** is a Management professional with an Engineering Degree & a Post-Graduation in Business Management. He started his career with Hindalco, the metals powerhouse of Aditya Birla group and one of the largest Aluminum companies globally.

Over the course of his career spanning over two and a half decades he has worked in multiple industries including mining, metallurgy, engineering, consumer durables etc. and in multiple countries in Europe, Middle East, SE Asia etc. His latest assignment before becoming a promoter of Verantes Living was as the Executive Director & CEO of JSL Lifestyle Ltd. He considers a totally customer focused approach as the prime enabler of the quantum business growth he delivered in his past leadership roles. An ardent believer of customer centric business objectives he is the prime motivator of Verantes Living that keeps **Customer Delight** the **raison d'être** for the company.

---

**Varid Gupta** is a Marketing professional with extensive experience of consumer durables & retail business management. He is a science graduate with a post- graduation in business administration. Throughout his career, he has worked with versatile industries ranging from electronics to metallurgy. He has worked with several industry leaders like Samsung, Panasonic, Videocon etc. and has been instrumental in shaping the retail business of several brands. For the past decade, he was engaged as a Vice president with JSL Lifestyle Ltd.

He has an avid interest in innovative approaches towards the world. Verantes was introduced and brought to life to provide world class products and ultimate customer satisfaction.

# Introduction

We have a extensive history behind us — and surprisingly more to come. METALLO Kitchens are launched by Verantes Living which has excellent track records in terms of quality and customer satisfaction over years. Verantes has created a milestones by opening over 15 premium quality stores within a span of 2 years and counting.

We don't simply construct kitchens — we create space. A space for health. A space for comfort. A space for happiness. Space for bunch of individuals or one individual, space for recollections, and for what is on the way. Let us inspire you.

The word "METALLO" is written in a bold, white, sans-serif font, centered on a solid red rectangular background.
